NO FUNDRAISING PARTICIPATION OPTION (\$100): YOU MUST CHECK ONE BOX BELOW

- HAC has budgeted \$12,000 in the period April 2017 – March 2018 to be raised through fundraising in order to keep membership fees low and promote membership growth. By checking here, I signify that I understand that being a member of the club means that I have an obligation to participate in many of these fundraisers and promote them outside the club. I understand that I will receive information via mail, e-mail and announcements about fundraisers, and I will attempt to bring in at least \$100 to the club through my participation or promotion.
- I do not agree to support HAC fundraising. Instead, I have included a \$100 donation in addition to dues at time of my membership signup. I understand that having done so, the Board of Directors will remove my name from the fundraising mail/e-mail distribution list used during the summer. I understand that I may get emails from the board in the off-season but do not plan to participate in any fundraising mentioned.
